### Crazed for Kerry Marie

Dear XL Girls,

I love your magazine and all the girls, but my favorite above all is the gorgeous Kerry Marie. Please, please, please put her in again. In fact, put her in every issue. I ain't too proud to beg! She is the sexiest woman in the world.—E.L., Augusta, Maine

Dear E.L.: Yeah, Kerry Marie raises our sails, too! And plenty of other XL Girls fans are in total agreement about this buxom Brit babe. We think you'll be pleasantly surprised by the rocket in your pocket when you get to page 20 of this issue. And if you're still craving more curvy Kerry Marie, check out her exclusive home on the web, [BustyKerryMarie.com](http://BustyKerryMarie.com). If that isn't enough, her sizzling new video, which features the all-natural busty Brit in six hot, new, scenes, can be ordered on page eight.

**Is Kerry Marie the hottest woman in the world? Reader E.L. thinks so!**

### Samantha Makes a Stiffy!

Dear XL Girls,

I can't thank you enough for putting the smoking-hot Samantha in your magazine (XL Girls #95). She's the only girl in the world who can give me a

**Samantha's amazing sexual magnetism makes men downright randy!**

hard-on at the newsstand.—W.M., Staten Island, New York

### Radka's Round Ass Rules

Dear XL Girls,

I don't know what's happening over there in the Czech Republic, but if even a fraction of the women over there are built like Radka (XL Girls #107), I'm booking my plane ticket right now!

My favorites in your magazine are always the XXXL girls, and Radka is the best super-plumper you've ever had. The numbers say it all: 48-42-54. I can't even begin to think what it would be like to come home to all those meaty curves every night and lose myself inside her DD-cup whoppers and ample ass. Keep up all your good work, guys.—V.T., Austin, Texas

### An Exception for Emage

Dear XL Girls,

I have a thing for African-American women weighing in at 200-plus, but for Emage (XL Girls #107), I will gladly make an exception, even

though she only tips the scales at 158. I can't stop thinking about her big tits and butt. I'd like to have a little foreplay and afterplay with some of that! I know other men who love women just like Emage, so keep up the good work and feature more beauties like her.—S.N., Kansas City, Missouri

### Bigger Ain't Always Better

Dear XL Girls,

I swear, you editors shouldn't listen to the readers who keep begging you to get rid of all your hot 150 pounders in favor of the bigger babes. You have a nice mix of sizes, a lot of variety of shapes, hair and skin color, tit and butt sizes, so I feel like I never know what I'm going to get when I turn the page. And that's exactly what keeps me coming back to XL Girls.

Face it, guys, you usually end up fucking the same woman for most of your life. So isn't it great to get such a big variety of babes in the pages of your favorite big-girl magazine?—I.J., London, England

Dear I.J.: Thanks for adding your two cents (or is that pence, mate?) to our ongoing debate about the size of the BBWs we feature in XL Girls. We welcome all reader comments on this subject and will continue to print your valued opinions.

**Emage ain't big enough, according to reader S.N., but she's so smokin', he's willing to do her anyway!**

**Laura Bailey's Olympian measurements are one of the better wonders of Mother Nature.**

## Lust for Laura

Dear *XL Girls*,

This is what I would say to Laura Bailey (*XL Girls* #107) if I ever got lucky enough to be in the same room with her: Dearest Laura, how did you grow your breasts to such watermelon proportions? Your buttocks are so humongous and self-supporting! Your belly rolls are like loaves of Italian bread from my local bakery!

At 33 years of age, you still have a face like a young girl. You wear little make-up and probably don't need any, except for when you are posing in front of the camera.

You are the epitome of womanly beauty. If this were an Olympic competition, you'd come home with all the gold!—S.H., Dunnville, Ontario, Canada

## More Laura Lovin'

Dear *XL Girls*,

My favorite *XL Girl* is Laura Bailey. I can't believe that she was about to get married and her husband-to-be asked her if she was planning on losing weight. What was he thinking? She has the best body, the best looks and the best tits. If I were him, I would have her on a pedestal, showing her off to the world. One month, I had to go out and buy two copies of *XL Girls* because I kept on cumming on the pages of Laura's layout. I would love to see Laura in a man-woman photo shoot, and if you need any volunteers, I will be the first in line with cock in hand!—A.H., Edmonton, Canada

## Devin and Taylor Toss-Up

Dear *XL Girls*,

First, let me say how glad my girlfriend and I are that you have a new election for the *XL Girls* Model of the Year. We are casting our vote for Devin Taylor. She is simply the best-looking girl in any magazine right now.

But, the problem is, we love Taylor Stevens so much that we wish you would have also had a Newcomer Award so we could have voted for her, too. We've watched *XL Girls Home Alone Volume 2* several times

Now, if you're both ready for some new XL Girls action on VHS and DVD, check out our Video Club on page 98.*

### **Taylor Stevens: The Super-Plumper Even Your Wife Will Love!**

Dear XL Girls,

First off, let me thank you for creating the XL Girls Model of the Year Award. The women who are showcased in this magazine deserve to have separate recognition from *Voluptuous* magazine, and the readers have earned the right to decide who the lucky one is.

My husband has always preferred what you at XL Girls call super-plumpers, but I was never really sure he meant it when he kept telling me not to lose any weight. But after a couple of years of reading your magazine, I see where he's coming from. I am a larger woman and can appreciate the body of another woman who looks good and acts confident.

The perfect example is Taylor Stevens. Here is an incredibly gorgeous girl who has what I consider a perfectly proportioned female figure, and she shows it off like no other. I know my husband agrees, as he and I have gotten into many a conversation about Taylor's body. In fact, lately he's spoken in great detail about what he would like to do to her and how he wants me to find a woman who looks like her in hopes of fulfilling his three-some fantasy. I have to admit, the thought sounds more and more appealing as time goes on.

Having said that, however, I want to submit our vote for Model of the Year for Devin Taylor. Devin has proved herself to be the one model who has taken XL Girls to a higher level. No more is it the magazine that just features the heavier side of *Voluptuous*. Now, XL Girls delivers even larger and even more attractive women than ever.

## Print or Internet? Both!

Dear *XL Girls*,

I just joined [XLGirls.com](http://XLGirls.com) and gotta say, I love it. With the click of a mouse, I get to see videos of so many of the women from your magazine that I've jacked to over the years!

But I had to write and tell you guys to never, ever stop putting out the magazine, even when the website is doing really well, if only for the reason that I can't take my computer into the bathroom with me. Ha ha! No, seriously, I'm online a lot, like everybody else, and I like to get some porn there. But I don't think the Internet will ever take the place of magazines like yours. Magazines are more portable, you don't have to wait to download pictures and you can easily go back to your favorite girls time and time again without having to log on.

I guess what I'm trying to say is, I'm a fan of both your website and your magazine and wouldn't want to give up either!-C.B., Tempe, Arizona

## A Tissue for Issue #110

Dear *XL Girls*,

You outdid yourselves with issue #110. Starting with a bang (that awesome ass round-up of your finest XL girls' rear ends) then going right into incredible newcomer Kaitlin, herself the possessor of a beautiful, slappable butt, was a master stroke that got me stroking big time. I'd love to see more of this amazing lady.

I also appreciate you bringing back some of my favorites, like Evzenie, Pele and Gina in hotter-than-ever poses. I always like to revisit your finest BBWs, and they always get me as excited as the first time I saw them. Please keep on bringing your best girls back, especially Evzenie. She is really something special.

But what amazed me the most in the whole issue was how freakin' hard I got over the pictures of Sarah Mercury covering her tits in whipped cream and chocolate sauce. I never heard of the word "splodging" before, but I guess I'm kinky that way and didn't know it

until now. All I could think of when I saw Sarah's humongous cupcakes covered in cream was covering them with my own man milk. Like I said, I didn't know I was this kinky, but thanks for teaching this old dog something new about sex! This issue had me jackin' for weeks.—A.G., via the Internet

*Dear A.G.: It ain't bragging if you back it up, so we're going to pat ourselves on the back while thanking you for your compliments about XL Girls #110, which can be ordered on page 10. In addition to the lovely ladies you already mentioned, other beauties we had the privilege of featuring included sexy Czech Denise, XL Girls Legend Debi Lee and spicy Italian Christiana. It's as sizzling a selection as has ever appeared on the printed page.*

## A BBW Convert

Dear XL Girls,

Big girls were just never my style until a pal at my construction site brought in a copy of your magazine.

Like a lot of ignorant guys, I never looked twice at a larger lady, and I definitely never imagined one naked. So looking at XL Girls was a real revelation. How could any red-blooded man not get a hard-on once he sees all those acres of female flesh?

I started picking up your magazine pretty regularly after I saw that copy. And am I glad I did because it opened my eyes to a beautiful big girl who was right under my nose the whole time. I don't think I would have noticed Shannon if I hadn't seen XL Girls.

Shannon is a waitress at a bar me and the guys go to for lunch about once or twice a week. Nothing fancy, just wings, burgers and beers. But she always gives us great service and smiles and jokes around. I just never thought of her as anything but a waitress until a few weeks ago when she was serving me a brew and her massive cleavage swung right before my nose. It was all I could do not to stick my tongue between those milky mountains right there!

Shannon kind of looks like your model Samantha: big, blonde, busty, major butt. I got a little vibe from her, like maybe she liked me, so when we finished eating, I told the guys lunch was on me, and I hung out to pay the bill while they all went for a smoke.

# Letter of the Month

## ASPEN IN THE MIDDLE

In XL Girls #101, M. K. wrote a letter questioning popular model Aspen's sincerity when she said she was looking for a "nice guy" (XL Girls #95). Well, M.K.'s comments lit a fire under fellow reader P.B.'s ass, and he ripped M.K. a new one in issue #107. Here is M.K.'s impassioned reply. And for an intimate look at the luscious lady who started this whole battle, check out page 36 for more of the undeniably sexy, but hotly controversial, Aspen.

Dear XL Girls,

Thanks for publishing my letter. But P.B.'s reply is a mile off what I meant. P.B. says Aspen isn't lying when she says she's looking for a nice guy. Well, how does he know? Obviously, I don't mind women posing in magazines. If I was going to be mad at Aspen for that, I'd have to be mad at all the XL girls. Take Taylor Stevens. She's honest. She admits women dress sexy for attention. I respect that.

Honesty is the most important thing in a relationship. That's why Aspen's logic is flawed. You have to be honest with others. I'd be glad to answer P.B. if he wants to talk about this. I think he misunderstands where I'm coming from. He wrote a reactionary letter instead of looking at what I meant.

## WEIGHING IN

Continued from page 9

I'm not going to give you all the details of what she did to me, like some of your readers do. But I will tell you that me and Shannon are still dating, and I've never been better fucked in my entire life. I don't know if I'll ever go back to boning skinny broads after the way this big, beautiful woman rocked my world. So thanks, *XL Girls*, for opening my eyes. I don't think I ever would have even considered her fucking material before I saw your magazine. I owe it all to you.—F.A., Homestead, Florida

### Split Slit Decision

Dear *XL Girls*,

Thanks for making a separate Model of the Year contest for *XL Girls* magazine. I personally think the *Voluptuous* magazine contest includes too many skinny girls. I mean, their Plumper of the Year Award is fine, but their Model of the Year babes need to eat a few more pizzas before my dick gets near them.

Anyhow, I am sending you this to cast my vote for Devin Taylor as the *XL Girls* Model of the Year. She is way too fucking hot not to get the award. That 50-inch ass of hers equals multiple orgasms for me every time I see it.

I have two suggestions for you guys, though. I hope you like them.

1. Make an *XL Girls* Newcomer of the Year Award. What do you think? And if you can do it right away, please give it to Taylor Stevens. Taylor is gonna be my favorite if Devin doesn't watch out!

2. You have to put out a calendar of *XL* babes. My gosh, that would sell like hotcakes at a Plumper Convention.

Just my thoughts. Thanks to all of you.—J.W., Phoenix, Arizona

Dear J.W.: We appreciate your suggestions and will seriously consider them. Unfortunately, it's too late this year to have a Newcomer of the Year contest. Believe us, when the votes were tallied for Model of the Year, both Devin Taylor and Taylor Stevens did very, very well. Check out the results beginning on page 13 of this issue. And while we don't have a calendar, members of our official website, [XlGirls.com](http://XlGirls.com), can download a different calendar girl each month, fresh from the pages of *XL Girls* magazine. By the way, we'll definitely keep your calendar idea in mind.

If you thought the last two U.S. presidential elections were close, you didn't spend any time counting, recounting and counting again and again your votes for the *XL Girls* Model of the Year. It's great to know that so many of you love and lust over these amazing BBWs as much as we do. But damn, dudes! The numbers were so close that we almost missed our deadline. One vote either way could have changed everything. The competition between the top four was especially fierce. It literally came down to less than 10 votes in a few instances. But at long last, here they are, the large ladies of the hour...and the year!

**You crowned her *XL Girls* Model of the Year. And you made a really good call, guys!**

When English lass Kerry Marie began modeling in 1999, she was undeniably beautiful, but she was a borderline BBW. But since then, she's grown into her own...and made more than a few cocks grow as well!

**"My vote is for  
KERRY MARIE. She is  
truly the most  
beautiful woman I  
have ever seen."  
—M.I., writing via  
the Internet**

Most of your comments about the lovely Miss Marie mentioned her incomparable beauty. Here are some typical samplings: "Simply the finest woman on the planet." "A babe to end all big babes." "I could look at her forever." And we're going to do our damndest to make sure there'll be more than enough Kerry to go around. Besides her overall attractiveness, many of you Kerry fans had specific reasons for casting your vote for this small-town girl. "It's her belly. It's so damn sexy!" says R.D. from Scranton, Pennsylvania. "Her tits are incredible," raves E.V. from Memphis, Tennessee. "They are perfect globes of female flesh." "It's her ass," insists S.W. from San Diego, California. "The bigger it gets, the harder I get."

**"How can Kerry Marie possibly be so sexy and so sweet at the same time? She just might be perfect."—D.T., Newark, New Jersey**

While our Model of the Year contest was incredibly close, with only a few votes separating the top four contenders, Kerry Marie ran away with the most marriage proposals received by any of our big beauties. "I would take her home to meet my mom, then take her to bed," writes J.H. from Detroit, Michigan. "Kerry Marie is exactly the type of woman I've been looking for all my life," emails C.W. "If I have to go to England to find a girl like her, I'll start packing!" Guys, we passed your comments and compliments along to the gorgeous winner, so good luck with all those propositions. In the meantime, feast your eyes on the woman you elected queen of the queen-sized sex goddesses: Your very own *XL Girls* Model of the Year, Kerry Marie.

## HEAVY ON THE CREAM

**A trio of BBWs with an appetite for adventure make a feast out of some admirers—and each other**

BY PAULINE WORTH

**U**rsula, Charlotte and Stacey were done. Finished. Their buying spree had taken them all over the mall, culminating in an orgy of shopping for incredibly sexy lingerie. Surprisingly, in a fashion universe seemingly created for the toothpicks of the world, they had found a boutique catering to what the three of them had in spades: curves, curves, and more curves. They even had gorgeous bras in larger-than-life sizes to accommodate and showcase each woman's succulent and seriously substantial set of breasts. Temporarily drained by the marathon spend-a-thon, they stopped

for a caffeine re-charge. Shopping wasn't easy work.

Charlotte and Stacey waited for their frappuccinos at the tiny, round table in the center of the grand mall's atrium while Ursula, as usual, flirted with the barista. Stacey watched as her friend's weight shifted from her left leg to her right as she chatted up the strapping college boy; Ursula's impossibly round, size 20 rump looked like two prize pumpkins beneath the smooth, snug fit of her stylish khaki capris. *No panty lines*, Stacey noted with amusement. Her friend was either wearing a thong or going commando.

Stacey wasn't the only one to notice

Ursula's apparent lack of panties. As Ursula turned with her tray, smiling at them, Mister Coffee gave that big booty the thrice-over and elbowed his friend. The two of them ogled her the whole way back and Ursula's sexy smile—even white teeth between full tangerine lips—said she knew they were watching. She bumped and swayed slowly, tray balanced easily in her lithe manicured hands, and gave them a show.

"Tantalizing Joe and Jim College?" Stacey teased as Ursula settled into the seat. The three of them had to rearrange all the bags to accommodate her. The afternoon had turned into the shopping spree to end all sprees.

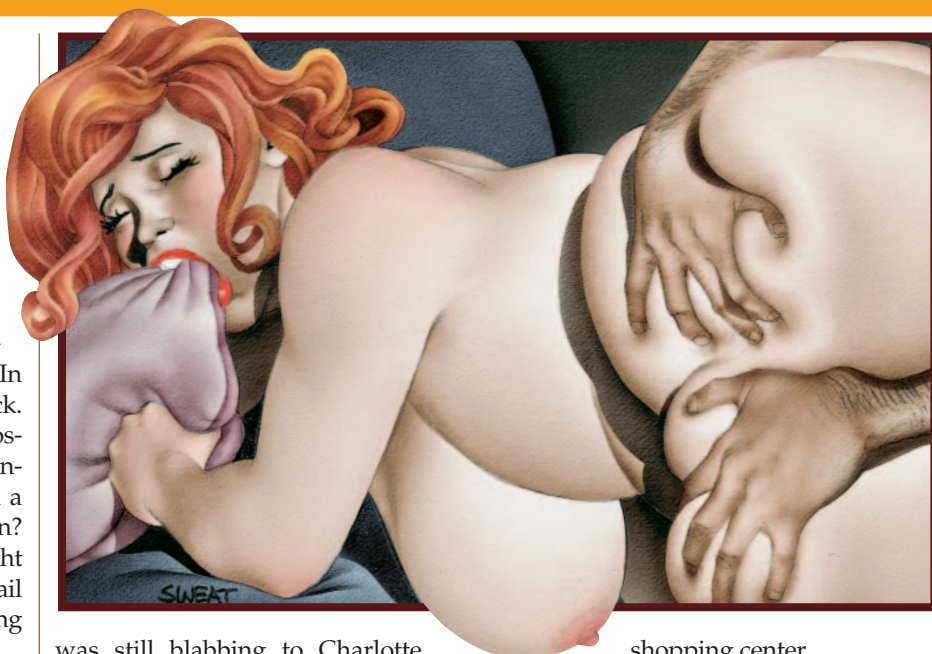

**“I’ve never been with a girl, let alone two. But I’ve always been curious. Haven’t you?”**

“Now, that boy is sexy,” Ursula noted, matter-of-factly.

*She has a point*, Stacey mused, noticing that the men were still watching. In fact, a third one had joined the pack. They seemed to be weighing their possibilities. Num-ber three made eye contact. He was lean and wiry, his skin a caramel color. Latin, maybe? Italian? He lifted his t-shirt absently. She caught a fleeting glimpse of the hirsute trail running from his navel, disappearing beneath the waistband of his jeans.

*Mmm*, Stacey thought, a quiver beginning to stir in her creamy, thick thighs, an electrical charge buzzing in her tiny, sensitive clit, *looks tasty regardless*. She brought the frothy whipped topping of the drink to her shiny lips and, with precision, ladled a dollop off with her tongue.

“...And if he were interested in me? Hell, I’d take that boy and...” Ursula

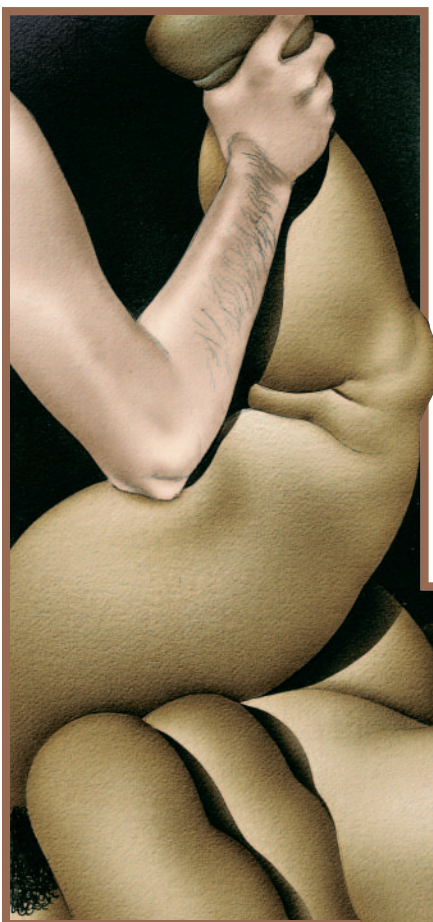

was still blabbing to Charlotte about the first guy.

Stacey listened to the deliciously filthy rant. As if they overheard, the trio of hotties was on their way over with a complimentary sampling of biscotti. Apparently, Stacey’s tongue samba had been the final straw. She raised an eyebrow at the dusky one—What were these guys, 22? 23?—and kneed her friends beneath the table. The conversation halted abruptly as the other women instantly realized just what was going on.

A short while later, after they’d wrapped their pretty, painted mouths around several varieties of free biscotti, the mall was closing. The three of them, big, black, beautiful Ursula, robust, red-headed Charlotte, and dark, alluring Stacey, whose rosebud nipples had not softened since that first lick of whipped cream, escorted their new friends over to the Mexican cantina just outside the

**“I’m going to put my cock into this hot pussy. After I lick it until you scream.”**

shopping center.

After ordering a second round of margaritas, the men headed for the rest room. The women, meanwhile, huddled together and strategized.

“Look, guys,” Ursula said, her talented tongue loosened by tequila, “we are hot 30something young women with curves beyond measure...”

She illustrated this by running her hands over her tight, apricot-colored sweater. The soft, flimsy material did little to hide the heaving bosom beneath.

“...and we have sexual talents and appetites that these jocks can’t get from the scrawny cheerleaders they’re nailing at school. And,” she added, challenging Charlotte and Stacey with a level gaze, “they’ll have the stamina to keep up. Let’s take them back to your place, Char, it’s the closest.”

“But I’ve only got a one-bedroom apartment,” she replied. “There won’t be any privacy at all. And besides, they’ve all seemed so into us I can’t tell who we’re supposed to pair off with...not that I’d kick any of them out of bed for eating crackers. But tell me, who gets who?”

Ursula leveled her stare at them again. “Well,” she said, placing a silky hand on each woman’s dimpled knee, “you guys are my closest friends...and I’ve never been with a girl, let alone two. But I’ve always been curious. Haven’t you?”

The three women looked at one another, then glanced over as the three younger studs prowled their way back to the table. Each lady raised a shot glass. They licked their lips, knowing

full well where those lovely lips were headed, and the sweet meat between their solid thighs became slick. They downed their shots and made an unspoken pact that the night would end in a sweaty, undulating heap of rippling female flesh.

After the second round and some fun, flirty conversation, Ursula guided the conversation to films and handed them the opening they needed. "You know, Charlotte just got that new DVD game, the one with the movie trivia. But you can't really play it with just three people..."

Derek, the long, lean basketball player, took the bait eagerly—just as Ursula knew he would. "We'll take you ladies on," he said. His eyes lingered on each of them, as though he were deciding which of them would fill the role of appetizer, who would be the main course and who would serve as dessert.

"Well, then," Ursula said, eyeing him up and down, before turning to her friends with a devilish grin, "let's get that check and head on over to Charlotte's, shall we?"

The DVD player, they all knew, would be the only thing not turned on when they got there.

They piled into Charlotte's minivan—she'd had to endure her friends loving taunts for buying it when she had no children. But it looked like buying that van had finally paid off.

"Now I know why you got this thing, Char," Ursula laughed, then stopped abruptly as Nick, the Cuban pre-med student, slid in beside her. He put a hand on her ample thigh to test the water, then leaned in. The gloves were off and the game was on.

"Mmm," Ursula said, as his full mouth covered hers. *Just like a young buck*, she was thinking as a hand instantly came up to caress a heaving breast, fingers deftly tweaking her disc-like, berry-colored nipples through the thin sweater.

The others watched, their excitement growing. Then, Derek made his move with Stacey. The chocolate hue of his skin against her gothic whiteness made her pussy instantly flow with nectar. His hand disappeared beneath her skirt, but he didn't kiss her, just looked right into her green eyes to watch her reaction as a nimble finger ducked under the edge of her lacy panties and plunged into her tight, wet honey hole. She sighed and her curvaceous form,

petite compared to Ursula but substantial nonetheless, began to ripple with unbearable delight.

"I am going to put my cock into this hot pussy," he whispered, sliding one finger, then two, in and out, in and out. "But first I am going to lick it and kiss it until you scream." Stacey moaned. To her surprise, having the rest of them there didn't make her self-conscious. It got her even hotter, knowing they were so close, listening and watching. Derek went on with his bad self—who knew he was a talker?

"I am going to tongue this little clit," he said, punctuating his words by gently squeezing her rosebud between his thumb and forefinger, prompting a breathy gasp from Stacey, "until you beg for my dick in that big, white behind of yours."

Charlotte, whose own blazing twat was saturating the crevasse between her thick thighs, was hoping that Derek would give her a taste of that, too. But just then, Adam, the quiet blond business major, leaned up from the seat behind her.

"I love redheads," he said.

"It's natural," she shot back. She noted the brief stint of silence from Derek. She hoped he was contemplating that fiery slit bearing down on him. Then she turned her attention back to Adam while easing the car into her parking spot.

"We're here, honey," she cooed at him, tossing waves of auburn tresses over her soft shoulder as she swung out of the van. As he got out, she shoved him against the van and squatted, letting his rod feel her hot breath through his track pants, which were tenting impressively. "I am going to eat this cock!" she told him, not believing her own boldness. "And when I am through, you are going to bury your face in me until you're hard again. What happens from there..." she stood up, "is anyone's guess." Then, she led a wide-eyed and breathless Adam to her door by his waistband.

The others extracted themselves from the van and followed quickly.

"Why don't we see what you picked up here?" said Nick, jogging in last with the sacks from the lingerie shop. "How about a show?"

"Sounds like a plan," said Ursula, leading her friends into the bedroom to

**CRISTY**

**A CURVY HOTTIE who  
SAYS she's ALWAYS  
READY TO GO!**

Like the way newcomer Cristy fills out her bra? Yeah, we thought so. Us, too. And if you're ever in New Jersey, keep your eyes peeled at the local branch of Victoria's Secret. "That's where I buy my lingerie," Cristy confesses. "I have to wear a bra all the time. My nipples are really sensitive and tend to get hard a lot. So I need a little extra coverage, as well as the support." Chances are, there are plenty of BBW admirers out there who would love to offer you as much support as your double-Ds need, Cristy. "That's great," she says, giggling, "cause I love to have 'em touched and sucked."

**"I like sex in the morning. The afternoon and nighttime, too."**

Not only does Cristy possess some serious curves, she's got a sexual appetite to match. "I love adult movies and sex toys," she says, "especially vibrators and edible lubricants. When I'm alone, having a little fun by myself, I watch DVDs of threesomes with two guys and one girl. I think it's so hot when the guys touch each other. I know a lot of men are squicked out by bisexual guys, but it really turns me on. I guess that's because I work in a hair salon and meet a lot of very sexually open men."

# Aspen

## **THE WOMAN *XL Girls* READERS HAVE BEEN FIGHTING OVER!**

Move over, Helen of Troy, Cleopatra and Elizabeth Taylor. Men may have fought over you, even went to war for your honor, but seldom has a stunning *XL Girl* caused such a passionate stir as Aspen has. For more details on the emotional feud simmering over this brunette brick shithouse, turn to page nine. Or ignore the brouhaha she's brewed and simply enjoy these new photos of the ample administrative assistant from Oregon. Amazingly, Aspen didn't place in our Model of the Year competition, but if the recent response to her pictorial in *XL Girls* #95 is any indication, she is a true, boner-fide top contender for next year's crown. She's our kind of girl.

**"I'VE BEEN SCREWED OVER by guys, but I would NEVER HOLD THAT AGAINST ALL OTHER MEN."**

We believe Aspen when she says she's completely sincere in her search for Mr. Right. "I've had some bad relationships, but I still want a nice, average guy to come home to," she insists. "I'm sorry that some *XL Girls* readers have had bad experiences, but I have, too. I just don't let that make me bitter. I know there are wonderful men out there. And there's one out there for me." Just to clarify, we asked Aspen one more time what she's looking for in a guy. "A strong man," she says. "One that can handle me...and I am a handful! He has to like himself. That's the biggest thing. No self-esteem issues. I can't fix your problems, and I don't want to try." Anything else? "A confident man. If I can walk all over you, I do not want to play with you!" Okay, guys, got it now? Let the letters start pouring in, again!

**Think you KNOW PARADISE? Well, you don't  
KNOW HEAVEN UNTIL YOU'VE ENTERED Eden.**

At only 14, Israeli sensation Eden's fantastic figure began its journey to the ripe womanhood you see before you. And her boob-growth spurt suited her just fine, especially when men started to notice. "I like to command attention," she says. "Very much so."

**"MEN ALWAYS ASK ME IF I LIKE MY BREASTS AND IF I LIKE TO PLAY WITH THEM. SILLY BOYS, OF COURSE! THE ANSWER IS YES!"**

A student in her hometown of Tel Aviv, Eden is studying to be a genetic researcher. So she's smart. That's nice. But not nearly as nice as her tits. Which, by the way, Eden, we'd like to play with, too. So, if you wouldn't mind, tell us what makes your nipples hard so we can do the right thing if the opportunity arises. "Licking my nipples is the best way to make me horny," she says. "My nipples are extremely sensitive, and I like my partner to pay a lot of attention to them." Gotcha, Eden. No problem.

**"All my life, I've been like a sex magnet."**

And that's ok with Eden. A sensual creature in a lush, womanly body, Eden's had years to get used to attracting men and women like bees to honey. "I have no problem getting a sex playmate," she confides. "Which is fortunate, since I like to play a lot." And Eden wants to play with a lot of different partners before she settles down. "There's a lot I want to do, like travel and study, and a boyfriend—or girlfriend—would only get in the way," she says. As long as you're still on the market, there's still hope, Eden. For a slice of heaven like you, we'd be willing to wait.

change. As the door shut, she squealed and whispered at the same time, a feat only Ursula had mastered.

"Can you believe this!?"

"If it's a dream," Stacey whispered, undressing quickly, "I hope I don't wake up in the middle!" They all laughed and admired one another's curves as they shook and shimmied into their outfits, Ursula in a champagne nightie, Charlotte in a beautiful deep-green velvet bra and thong, and Stacey in a berry colored demi-bra-and-panty set. The bra lifted her creamy white breasts up and out, exposing hard peachy nipples.

They looked at one another appreciatively and paused.

"This is a first for all of us," Ursula said, easing Charlotte back onto her bed. "And I think we should dive right in—pun definitely intended!"

She parted Char's soft, thick thighs, pulling the green lace panties to one

side to reveal the silky orange fur her friend prized so much. The pink inner labia protruded gracefully from her cunt lips. The lips glistened as though eager for a lick, and Charlotte giggled, watching her friend's full ripe mouth as it descended.

"Mmmm, Charlotte," Ursula murmured, ever the pioneer. She raised her voice so the men could hear her. "Your pussy tastes just like cotton candy." Charlotte could barely stand it when the sweet, tender kiss was all-too-quickly over.

"That was mean," she laughed, as Ursula helped her to her feet. "Now let's get out there!"

The women emerged to an amusing scene: three hot, naked guys seated on Charlotte's tasteful sofa, stroking their cocks in anticipation.

"I don't know what the fraternity guys on campus think with their kegers," Nick laughed, "but this is what I call a party!"

The girls bounced and pranced for them, stroking one another's bodies, rubbing and squeezing each other's

tits, one set larger than the next. Finally, Ursula brought a chair from the dining area and sat, spreading her legs to reveal not panties, but tight, dark, pubic curls. Charlotte, behind her, reached around from both sides and spread wide her friend's pussy lips.

The inside, Stacey thought, as she knelt on the floor, looked like something precious. The walls were varied shades of regal purple, like a semi-precious amethyst, slick and juicy like the mist-covered petals of a flower. She smelled sweet, too.

She had never licked a woman before, but knowing what she liked done to her, she pursed her pretty lips and closed them around the tight, purple bud of Ursula's clit, gently rolling her tongue over its smoothness, and at the same time, she slid a finger up into the hot, wet tunnel below.

Ursula moaned her approval. All of a sudden, someone was behind Stacey, pushing her ass cheeks apart. Her knees weakened as a skilled tongue plied the tight rim of her tush. Her cunt oozed with juice, just like the sweet liquid that she lapped from Ursula's purple pussy.

Meanwhile, Charlotte got busy with cock—two of them. On her knees, her pendulous breasts swinging free after being liberated from her brassiere, she held Nick's thick cock in one hand and Derek's long, lean member in the other. She couldn't decide which to eat first, so she pushed the knobs together and tongued them expertly, popping one into her piehole for a good hard suck, then the other, all the while jerking and pulling them both.

They eased her down onto the floor, Nick straddling her face. She sucked hungrily at his balls as though they were fruit while he pinched and pulled her hard rosy nips.

Meanwhile, Derek kissed his way over the folds of her soft belly, then his full lips pressed against her mound through the lace of her thong. He slipped a tongue underneath, thick and snake-like, and eased it amid the folds of her pussy, his strong fingers pressing into her dimpled inner-thighs. She moaned against Nick's musky ball-sac.

Pressing his tongue, flat and strong, against her large, swollen clit, he slid a hand underneath and worked a wet thumb into her tense, taut ass. She

## Joeena

Hard to miss those totally natural 44Fs, right? Just for now, forget about her luscious ass and gorgeous face and focus on those bazoombas. Works of art, dontcha think? We promised Joeena we'd call all those idiots assholes in print. And we have no doubt you big girl lovers out there will agree and give them all a hearty one-fingered salute.

But that does pave the way for the next lucky dude to hook up with the mysterious beauty from Columbus, Ohio. Statuesque as well as stacked, Joeena is making her nudie-mag debut right here, and she'd like to carve herself out a career as an adult entertainer. We think she's on the right track.

Read on to learn about her adventures in lesbianism, her unconventional religion and her off-the-hook sexual exploits. As bonerific as Joeena's photos are, her life and loves are even more incredible. Rest assured, your pals at XL Girls made sure her titty-fucking cherry was popped before we let her leave our sight...and we'll bring that extraordinary video event to you real soon!

**XL Girls:** Joeena, welcome to XL Girls. This is your first magazine layout. What made you decide to do it?

**JOEENA:** I used to be a model a long time ago for Liz Claiborne and places like that until I gained some weight. Then a good friend of mine who reads SCORE and XL Girls said to me, "You

know what, Joeena? You're very pretty and you would be an excellent candidate for the magazine. I think you should send in a picture and see what they say." I was like, "Oh, I don't know; I've gained weight." But he insisted I would do really good because you specialize in full-figured girls. So I told him I'd do it, just to see what you said. I had just moved into a new house in Ohio, and my digital camera was packed away. All I had was my little web camera. I snapped about six pictures. They were real grainy, but I emailed them to your studio. You emailed me back and told me I had excellent potential, a beautiful, natural hourglass figure, but

you needed better pictures. I bought a disposable camera, took some more pictures and sent them in. I heard back that you loved me!

**XL Girls:** So this is your first time?

**JOEENA:** Yes!

**XL Girls:** No Internet either?

**JOEENA:** No. But I'm an outgoing person, and I'd like to make this my career. I'd like to do it for a long time.

**XL Girls:** And this is step one? That's pretty bold.

**JOEENA:** Well, I'm a bold person!

**XL Girls:** In what way?

**JOEENA:** Well, I posed nude. I'm gonna have sex with a guy on camera.

**XL Girls:** Yes, but not until today. How

were you bold before?

**JOEENA:** I lived with a woman for 12 years. I'm a total bisexual. I've done some photography, not nude, but sexy lingerie. I'm getting there!

**XL Girls:** Do you have a boyfriend?

**JOEENA:** No, just a girlfriend.

**XL Girls:** Is it an exclusive thing, or can you have a boyfriend, too?

**JOEENA:** I have an open relationship. And she didn't mind me coming here and having sex with a guy. She said she'd rather have me have sex with someone who has been tested instead of going out and picking up someone I don't know.

**THE XL Girls** INTERVIEW

**XL Girls:** So this is a good way for you to have sex and not get in trouble with your girlfriend!

**JOEENA:** It's an excellent way! I have sex with someone who's clean, and I make some money, and I loved it, too. It was great! I had an excellent time.

**XL Girls:** Were you nervous at all?

**JOEENA:** I was sitting in my hotel room yesterday, and all I had to do was think about posing. When I got here, I was a nervous wreck. But once I talked to everyone, I felt better. First I did a solo shoot, then I did a boy-girl, and I shot some video, too.

**XL Girls:** Will people who know you be surprised that you're doing this?

**JOEENA:** No, because in my normal, every day life, my religion is Wiccan.

**XL Girls:** What's that?

**JOEENA:** I'm a Pagan, a white witch. So even my religion is something that's a little different.

**XL Girls:** Does your religion celebrate sexuality?

**JOEENA:** It does. It celebrates the ele-

ments: earth, air, fire and water, and the spirit that resides in all of us. And our rituals are performed naked.

**XL Girls:** Your rituals are outdoors? Don't you get cold in Ohio?

**JOEENA:** Well, we do them outside until it gets too cold.

**XL Girls:** Are you a member of a practicing coven?

**JOEENA:** I am the high priestess of a coven. I have seven members, and we've been practicing for more than nine years.

**XL Girls:** If you're the priestess, you must have been practicing for a long time.

**JOEENA:** Oh, I was born a witch. My parents will tell you that I could always sense things. I can tell when things are going to happen, like when you're going to get a cold.

*"Grab on to both my boobs, suck on them, pull on 'em, sling 'em over my shoulder, I don't care. Just do something!"*

**XL Girls:** You can really tell when someone's getting sick?

**JOEENA:** I can smell it, and I'll tell you what it smells like. If you get real close to someone and they smell like wild onions, but they haven't eaten any in the last 24 hours, they're getting a cold. So that gives you a clue about my personality, and I think this is an excellent job for me!

**XL Girls:** You're obviously proud of your body and you like to dress

provocatively, don't you?

**JOEENA:** Oh yeah! I once almost caused an accident on the freeway.

**XL Girls:** You have to tell us about that!

**JOEENA:** One day, I was driving, and I was wearing a halter top that pressed my boobs up around my neck. I was in the passing lane and this guy—who was pulling a boat with his car—glanced over and saw my breasts and started speeding up. I was trying to get around him because my exit was coming up,

but as I sped up, so did he so he could keep staring at me. I was telling him, "Move away!" while he was panting at me. I had to gun it to get around him! Sometimes guys follow me around department stores, and even my girlfriend gets jealous.

**XL Girls:** Wait a minute! What do you wear that has men following you?

**JOEENA:** Halter tops, shirts that show lots of cleavage...

**XL Girls:** A bra?

***"I'm  
shaved***

*'cause I think most  
people prefer  
shaved."*

**JOEENA:** Yep. An underwire bra. I like to wear tight jeans, in the summer, little miniskirts and skirts and shorts that look like miniskirts.

**XL Girls:** And when you're dressed like that and men follow you around, your girlfriend gets jealous?

**JOEENA:** In the beginning she did. I can't say that when she sees these pictures she won't be jealous, too. But I'll hold her hand and guide her through what happened, and she'll be cool.

**XL Girls:** Do the two of you ever share sex partners?

**JOEENA:** We've had threesomes. She had never been with a guy before and we had this threesome, but she's still never been with a guy. I've asked her how she knows she's gay if she's never tried a guy. She tells me she was born gay, she knows she's gay and she doesn't need to have sex with a man to prove it.

**XL Girls:** Well, I don't need to have sex with a guy to prove I'm straight, either! Have you always

been bisexual?

**JOEENA:** Always! One of my first sexual experiences was with my neighbor. She didn't know how to masturbate, and she asked me to show her how to do it, it. so I stuck my hand on her clit and massaged it until she came.

**XL Girls:** Were you an early developer?

**JOEENA:** By the time I got to junior high school, I was a double-D. And I got harassed for it, believe me.

**XL Girls:** By the boys or the girls?

**JOEENA:** The girls used to gang up on me. I think they were jealous.

**XL Girls:** Were you tall then?

**JOEENA:** I'm 5'11", and I was always tall. I'm 6'3" with platform heels.

**XL Girls:** Did you like your breasts when you were younger?

**JOEENA:** No, I hated them.

**XL Girls:** Do you remember when you started liking them?

**JOEENA:** When I was old enough to go to the bars, and I realized that they got me phone numbers.

**XL Girls:** So you were 18, 19, 20 by then. Before that, did you try to hide them?

**JOEENA:** That would be a lot of hiding! No, I never hid them. But I didn't like them until I started going to bars. And then, when I got into bars, I was like that Kelly Bundy girl on *Married With Children*. No bra, on top of the speakers, dancing in my high heels, swinging my hair around.

**XL Girls:** So you were a little inhibited until you started getting more positive attention for your tits. But you got over that quickly. You're very open sexually, it seems.

**JOEENA:** Oh, yeah!

But the thing is, I never initiated sex with girls. They always asked me. And when they asked me, it was on!

**XL Girls:** Was your first guy much later?

**JOEENA:** Yes, openly wanting a man was much later, after I started getting all that attention.

**XL Girls:** Would you say you've been with more girls or guys?

**JOEENA:** Guys. I've only been with three women in my entire life, as far as relationships go.

**XL Girls:** You said you have fetishes. Tell us about them.

**JOEENA:** I used to be a professional dominatrix. I didn't have actual sex with the men. At the time, that was when *The Matrix* first came out, so my speciality was putting the theme song from *The Matrix* on and putting on a PVC and leather corset with three big buckles that lifted by breasts way up to almost my chin. I wore a leather miniskirt and platforms, and I'd strap the man in a chair and put a strobe light on and dance with whips. The strobe light would make me look very slow, and I could hit them with the whip faster than they would realize they were being hit. It was great mind play, and they absolutely loved it.

**XL Girls:** Are you naturally dominant?

**JOEENA:** Sometimes. It depends on my mood. I can switch. And I think that's what made me a wonderful dominatrix, being able to switch.

**XL Girls:** For how long did you do that?

**JOEENA:** Two years. The thing is, I was getting all doctors and lawyers, very high-class guys.

**XL Girls:** Tell us what do you do for a living now.

**JOEENA:** I was injured, so right now I'm at home. This is my new career, an adult model!

**XL Girls:** Are you going to do a website?

**JOEENA:** Eventually. I have a Yahoo group, [yahogroups.joeenajuGGs](http://yahogroups.joeenajuGGs), and I got 52 members in the first four days. I did my name with big Gs because I have big boobs!

**XL Girls:** Now, your boobs are natural and you're also a natural redhead. But you say you hate being a redhead. Why is that?

**JOEENA:** When you have black hair, you want red hair. When you have blonde hair, you want brown hair. Everyone wants something different than what

**Monique**

**The biggest BBW XL Girls has ever featured  
loves to let her P-cup puppies out for a swing.**

Take a good look at Monique's five-inch-wide areolae. "They're light in color, so they can be hard to see in pictures," she says. Not to worry, Monique. We spent hours studying your photos and can swear that your areolae are there. And they're awesome. As are your nipples. "They're incredibly sensitive!" she says. "If I'm sitting down and the desk brushes against them, they get instantly hard, and I am officially aroused."

## **"I sleep on my STOMACH AND USE MY BREASTS AS PILLOWS."**

Don't think being a big, beautiful girl is all fun and games. Monique has a difficult time buying bras for her remarkably huge hammers, which might be the biggest we've ever seen. "It's tough because I like sexy, lacy bras, and I have to get them custom made," she says. "It's such a hassle that sometimes I just hate wearing bras and go out in public every once in a while swinging free." Which must be a sight for sore eyes. Even Monique admits that her breasts can be a formidable weapon. "I've been busty since the seventh grade, so I could never play sports in school," she confides. "If I run, I'll get a black eye. And when I drive, when I turn, my arms get caught on my boobs. It's worth it, though. I love them. I sleep on my stomach and use them as pillows. Every night, I rub lotion on them, which gets me aroused." Umm, yeah, that kinda has the same effect on us! Unbelievably, Monique says her mounds are still blooming. "By the time I graduated high school, I was an I-cup, and they haven't stopped growing." May they never stop. We'd love to feature Monique as the first Z-cupper in *XL Girls*. "I guess it could happen," she says. "I always seem to be the bustiest woman wherever I go. No matter where I am, I've never met a girl even close to my size."

Not that we want to make you *XL Girls* readers jealous or anything, but we gotta say Monique is just as sexy in person as she is in pictures. She even has a website, [bustybbwmonique.com](http://bustybbwmonique.com). But her sensuality can get her in trouble.

"Women sometimes seem jealous and say mean things like, 'Do you put Miracle Grow on your tits?'" she says. "But I'm proud of my boobs." And so you should be, Monique! Very proud.

## Three Coffees

Continued from page 42

squealed with delight as Nick moaned and stroked his staff, working it while she tongued his nuts.

The action continued with Stacey eating Ursula's pussy like a Krispy Kreme while Adam—the shy one—ate Stacey's ass. "Put it in me!" Stacey cried from the depths of her best friend's muff. "Fuck my ass!"

Adam obliged, easing gently into the tight tunnel of Stacey's wide, soft behind. She squealed and moaned and just then, Ursula came, writhing uncontrollably in the dining room chair, her knuckles white as she gripped the chair back behind her smooth, milk-chocolate shoulders. Her movements had liberated her heaving, brown breasts from her slip. Misty with lusty sweat, she turned her gaze on Derek, Nick and her friend Charlotte.

The redhead was nearing the edge, the talented point guard's tongue going for the outside shot and making it. She frantically humped his face and moaned, her belly undulating like the ocean from the motion. Nick's balls were still firmly suctioned into her wide mouth, and he stroked his cock with pleasure as he watched his buddy lick Charlotte's fuzzy, red-tinged twat like a lollipop.

"I need me some of that," she said huskily. Nick saw the intent in her smoky eyes and the pearly dew on the soft curls of her labia. He nodded toward her, his voice deep.

"Suck it and maybe I'll give you some," he said, rising and moving toward her. Charlotte's moans got louder without the muffling action of his testicles.

Nick moved in front of her; Ursula remained in the chair. She cupped his damp sac in her hand, tickling it with coral-painted talons, and their eyes met. His dark eyes watched—and she watched him watch her—as she brought her swollen lips to the shiny head of his cock. He'd waited patiently for some quality attention and its velvety skin was stretched tight.

"I think it may be an inch longer than it's ever been tonight," he sighed as her mouth closed around the knob, her tongue lapping the pre-cum like icing.

**SATYN**

**Is this AN ASS to die for? Hell, yeah, it is!**

Hear that commotion going on outside? That's the riot silky smooth Satyn incites every time she struts down the street. "I like to dress to accentuate my assets," she says, "and by my assets, I mean my ass." Smart girl. Satyn knows a butt like hers doesn't come around every day. And you're gonna have to earn her ass if you want it that bad. "I think a man should have to work if he wants a booty like mine," she says. How hard, Satyn?

## AN ENCORE SET WITH ROCK 'N' ROLL'S HOTTEST, BUSTIEST, BIG BEAUTIFUL WOMAN.

Back in the '80s, a busty rocker chick decided to finance her musical career by shedding her clothes, flashing her boobs and sharing every inch of her lush body with the world. That woman was Candy Kane, and as her renown as a cabaret/blues singers has grown, her appearances in men's magazines has diminished. So, we felt the time was ripe to revisit the sassy chanteuse. As Candy awaits the upcoming release of her seventh CD, *White Trash Girl*, we lovers of big-blues belters here at *XL Girls* couldn't wait for one more glimpse at her soft ass and massive jugs. Candy appeared in a few issues of our sister mag *Voluptuous*, but we felt all *XL Girls* fans deserved to see her, too. By the way, if you've ever fantasized about sleeping on Candy's breasts, you can buy her therapeutic bra pillow for only \$300 at [www.candykane.com](http://www.candykane.com).

## Three Coffees

Continued from page 68

"Mmm," she purred, her tongue working the shaft. "How long do I have to suck this cock before you put it inside me? Because I love sucking it, but my wet pussy really wants you."

He grabbed her gently, but firmly, by the shoulders and got her down on the floor in one graceful movement, parting her legs in a flash and cleaving her cunt with his concrete hard-on. She screamed with pleasure, egging him on with abandon.

By now, Charlotte had released into Derek's waiting mouth and he was on her like a beast. She was bent over her couch, biting one of the pillows, while his pole slid in and out of her big, white moon. She cried his name, the soft flesh of her upper arm swinging gently with each thrust while she braced herself, fingering her button with one hand.

Meanwhile, Stacey had already taken one load in the rear from Adam. Now, she was sitting on his face as Adam lay prone and nearly smothered beneath the folds of her abundant and lovely flesh. His tongue darted in and out of her steaming snatch while she tweaked and pinched her ruby-red clit.

Derek watched Stacey while he drilled Ursula. Stacey watched Derek. Nick and Ursula and Charlotte whimpered with delight amid bits of dirty talk. Adam drank from Stacey's furry fountain as she neared her next orgasm.

Soon, it was an all-out group grope. No one knew whose cock they were sucking or fucking, whose pussy they ate like a last meal, who was giving them the high hard one or whose ass or pussy they were dealing it to.

The symphony of sex came to a crescendo as Derek came all over Stacey's facecovering her cheeks. Ursula, who had been tonguing Derek's balls while Stacey sucked him, lapped up the creamy seed. With that scene playing out, Charlotte's orgasm rocked her, milking one out of Adam's rod with her convulsing pussy and one out of Nick's with her ass.

Lying in a tangled, sticky heap on Charlotte's floor, the six of them wondered if any sex in their future could possibly top the night's activities. Ursula broke the silence with her trademark humor.

"Anyone for coffee?"

# Kimmy Nipples

**YOU CAN'T GET ENOUGH OF THIS LONELY BLONDE. NEITHER CAN WE.**

Talk about a sex trifecta! This marks Kimmy Nipples' third appearance in *XL Girls*, and it's always a pleasure to take another look at the blonde babe from Philadelphia who insists she was "born horny." Which is really tough on her, since she also says guys never hit on her. What is wrong with you men out there? If she lived near our offices in Miami, we'd be at her door every lunch hour. We'd be calling her every night. She'd have to get a trained Rottweiler to keep us away. "I don't date," Kimmy says. "I never get asked out." Now, that's a cryin' shame. Especially since Kimmy says she gets wet for a man who is "slightly out of shape. No muscle heads for me!" And she likes married men, too! So all you Philly boneheads, step up to the plate. If you've got a beer belly and a nagging wife at home, you've got a shot with Miss Kimmy Nipples. Go for it, already!

## JOEENA JUGGS

Continued from page 60

they've got.

**XL Girls:** Tell us, does the carpet match the drapes?

**JOEENA:** No, because I'm shaved! I think most people prefer shaved. But if that changes, I'll let it grow back and then it'll be red.

**XL Girls:** Do you wax?

**JOEENA:** No, never. It's easier to shave it. What I do is in-between photo shoots, I'll let it go and then right before, I'll shave my pussy so it's nice and smooth. But I do like hot wax dripped on my breasts!

**XL Girls:** What else?

**JOEENA:** I'm not afraid of a little electrical play. There's this wand that gives little shocks, and it can be fun. I like a little bondage, too.

**XL Girls:** How about posing and performing before a camera? Is it just a job, or does it turn you on?

**JOEENA:** At first, I thought it would just be a job, but once I got in bed with my co-star, it was like, wow! But what turned me on most, I think, was the photo shoot. I felt really sexy.

**XL Girls:** How about the idea that there will be thousands of men looking at your naked pictures?

**JOEENA:** Oh, yeah! I think that's great. But it might be a little weird if I'm out in public and a stranger says to me, "I saw you in *XL Girls*. Aren't you Joeena JuGGS?" I don't know how I would handle that.

**XL Girls:** Would it embarrass you?

**JOEENA:** No. I just don't know what I'm supposed to say. It would be weird—but cool—to autograph the magazine. I'm proud of it, and I wouldn't deny it. I'm not that kind of a person.

**XL Girls:** Now, you say you haven't dated a man in a while, but what kind of man are you attracted to?

**JOEENA:** Dark men. Dark hair, dark eyes. Just the average guy. I like a guy who likes real women, a guy who works, comes home, wants to be with his woman, watch TV, do things on the weekend. Just the average guy. No millionaire, no brainiac, no geek. I want a real man.

**XL Girls:** When you go out on weekends, what do you like to do?

**JOEENA:** I like to go to good restaurants, go to movies.

**XL Girls:** What kind of food?

**JOEENA:** Italian and Mexican. Chinese.

**XL Girls:** Are you a good cook?

**JOEENA:** An excellent cook! I've grown my own herbs. I make a mean pork-chop dinner.

**XL Girls:** Wanna share?

**JOEENA:** Sure! The secret is you season your pork chops in mustard for three hours in the refrigerator before you go to fry them. Then you take them out, shake them in salted flour and fry them. You'll never make pork chops any other way!

**XL Girls:** So you're not a vegetarian?

**JOEENA:** Oh, no, I'm a die-hard meat-eater. And I like it rare!

**XL Girls:** Speaking of rare, your breasts are remarkable. How big a part do they play in your sex life?

**JOEENA:** Probably medium to high. I like to pull on my boobs, and I like to suck on my boobs.

**XL Girls:** Do you like another person to do the same thing?

**JOEENA:** A lot of guys are afraid of them. I don't know why.

**XL Girls:** You were with the wrong guys! You need an *XL Girls* reader.

**JOEENA:** I guess so! Like today, when I was making the video, the guy was so gentle with my tits, and I was like, "You

don't have to be that gentle, honey!"

**XL Girls:** So you like them being handled a little roughly?

**JOEENA:** Hey, handle me! I'm a big woman. I like to be manhandled! I want to be thrown down on the bed. If I'm getting it doggie-style, pull my hair, slap my ass.

**XL Girls:** So your boobs don't play a big part in your sex life, but you would like them to.

**JOEENA:** I would love them to! If I'm getting it missionary style, grab on to both of them, suck on them, pull on 'em, sling 'em over my shoulder. I don't care. Do something!

**XL Girls:** Guys don't do that to you?

**JOEENA:** No, they just leave them there.

**XL Girls:** Do you ask them to?

**JOEENA:** No. I don't think I should have to ask a guy. They should know. They're there! I mean, if your balls are hanging over a woman's mouth, does she just leave them there?

**XL Girls:** Some women do.

**JOEENA:** I like to touch everything that's hanging in my face. There are a lot of people out there who are bad at sex, and the sad thing is they think they're good at it!

**XL Girls:** What do you think makes

good sex?

**JOEENA:** I think good communication and watching the body movements. If a woman is pushing your forehead away, that means back off. If a woman is grabbing your head and pulling you down, that means harder, you're right at the good spot. And if she's moaning, that means don't move. She's close to cumming. Pay close attention to what the woman is doing.

**XL Girls:** Are guys afraid of your butt in the same way that they're afraid of your tits?

**JOEENA:** No.

**XL Girls:** How come?

**JOEENA:** I don't know. But they're not afraid of my butt. They like to slap it. But my boobs...give it up!

**XL Girls:** So when you're in bed with a guy, he's more likely to have sex with you doggie-style?

**JOEENA:** Yes. I can tell you the total number of times I've had sex on top of a man. Seven times.

**XL Girls:** Do you like being on top?

**JOEENA:** Well, I don't know because I've only done it seven times! I haven't had a chance to like it. Don't get me wrong, I love doggie-style, too. That seems to be the position most guys

want the most, because they want my ass in their faces.

**XL Girls:** You would think these guys would be in heaven with you on top and those boobs in their face.

**JOEENA:** You would think so, but no.

**XL Girls:** Is there anything you don't like to do in bed?

**JOEENA:** I don't like anal. But that's the only thing I don't like.

**XL Girls:** Guys who are into asses aren't necessarily into anal. But guys who are into tits are definitely into tit-fucking.

**JOEENA:** I've never done that.

**XL Girls:** What?

**JOEENA:** I told you, men ignore my boobs in bed.

**XL Girls:** That's terrible. These men have missed a golden, once-in-a-life-time opportunity. Never?

**JOEENA:** Not once in my life.

**XL Girls:** Aren't you curious about it?

**JOEENA:** I'm curious. I'm wondering what all the hoopla is about. When guys have sex with me, they never touch my boobs. Maybe they suck on them a little, but that's it.

**XL Girls:** That's tragic! Sometimes I wonder what's wrong with guys.

**JOEENA:** Especially if they see my pictures and realize that they were one of those guys!

**XL Girls:** I hope they do. Because then every *XL Girls* editor, art director and reader will think they're all idiots. Wow, those guys are really pathetic. They make me mad. Have you ever had a man who's a good lover?

**JOEENA:** No, I can't say that I have. They've been okay. But now I'm so curious. I'm dying to know what titty-fucking feels like.

**XL Girls:** Yeah, it feels good, especially for a guy! Some women like it, too. But the guy has to do other stuff to her, like touch her nipples and pull on them.

**JOEENA:** My breasts are extremely sensitive, so I would love to feel that. It sounds amazing.

**XL Girls:** Well, Joeena, there are a million *XL Girls* readers out there who would love to titty fuck you. At least they'll get to see it happen to you after you shoot a boy/girl scene for us later today! You can do it then!

**JOEENA:** I can't wait!

**XL Girls:** Joeena, thank you for making your debut in *XL Girls*. We hope to see more of you. And we definitely hope to see you getting tit fucked.

**JOEENA:** Oh, don't worry. You will! 

# LENKA

## Did posing NUDE TURN HER INTO A NYMPHO?

Remember Lenka? How could you forget her? She made her *XL Girls* debut by fucking and sucking a total stranger in issue #107. If you missed it, you can order the back issue on page 10. Oh, yeah, she also let us film her raunchy romp for *XL Xtra #4*! That XXX-rated DVD and video is available on page 83. Now Lenka's back for more. Because the second she got naked in front of the camera, she got wet. And she couldn't wait to do it again. "Sometimes," she purrs in her sexy Czech accent, "just thinking about being naked in *XL Girls* and on video gets me so horny, I have to find a ladies room so I can play with myself. When I fuck a man in my private life, I imagine I'm being filmed and many men will cum when they see my pussy. Now I think the best sex for me is on camera!"

**"I didn't know I would like doing this so much. At first, it was just about the money."**

God bless free enterprise. Because that's what brought this plumper to our door. "I thought this would be an easy way to make some extra cash," she says. "I mean, I love to fuck, so I figured, why not get paid so I could get this Prada bag I was lusting for. But I almost immediately realized that I get incredibly hot doing naughty things for strange men to see. With my boyfriends, I always like having sex in cars or outside, where there's a chance of getting caught. I guess the next step was doing it for many to see, but I never made that connection until the camera started and that man's cock was inside me."

**"I GET EXCITED JUST POSING IN FRONT OF THE CAMERA."**

Lenka is a multi-orgasmic women with an exhibitionist streak who found her way into adult entertainment and loves it. "Having sex on camera is more exciting to me than having it with a boyfriend," she says. "I get excited posing for pictures all by myself. As soon as I'm naked, I start thinking about all the men who see me in *XL Girls*, all the men who will get hard looking at me. It's like having sex with all of them at once! I like to go home from a photo shoot exhausted and sore from cumming all day. But the moment I get home, I start thinking about the dirty things I did, and I get wet again. That's when I pull out my toys for one final orgasm, and it's always the best one of the day." Goodnight, Lenka. You've certainly earned that final climax!

Marie is a bold Brit who learned years ago that she loves a good porking so much, she might as well make a career of it. And if the world was perfect, she'd be as big a star as Jenna Jameson. But while Jenna is a porn icon, she can't compete with Marie's amazing move of sucking one tit while her rent-a-stud slurps on the other. When Sasha made her *XL Girls* debut in issue #101, little did we know that this stupendous BBW with pendulous tits and a gargantuan ass would return for a raunchy sex scene. We were happy when this self-professed former pre-teen geek got naked and spread for us. But once Sasha got a taste of the adoration from her *XL Girls* fans, she wanted more. A lot more.

**"I MADE A MAN OUT OF THIS GUY  
WHEN I LET HIM TITTY-FUCK ME."**

It was Sasha's idea to fuck a skinny guy on film. "I thought I'd look big, bold and brazen next to this twig," she said. And hey, Sasha, who can also be seen at [sashabrabuster.com](http://sashabrabuster.com), was right. Have you ever seen a BBW getting so well-plugged? Or tits so totally engulfing a cock? And that last shot of Sasha's cream-covered face? Red hot. Just like big, beautiful Sasha herself.
